WOT D'YER FINK OF YER PRESSIE, SON? COST GOOD MONEY, THEY DID!

WOW!! A NEW PAIR OF BOOTLACES! FANKS, DAD!

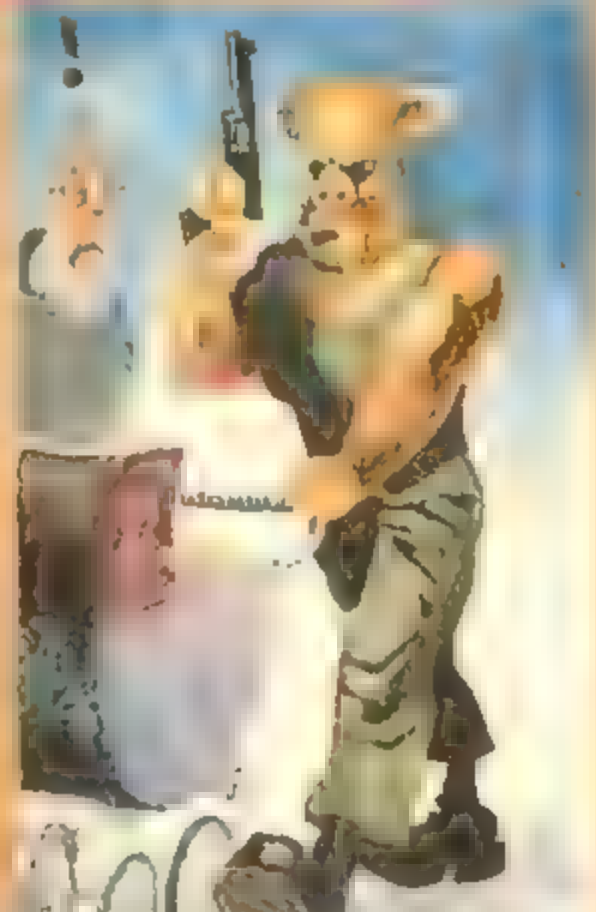

People often ask me "Arnold, how did you become such a versatile, talented and successful actor in the jungle that is Hoggystown?" And I say to them "Eat leaden death, you prying Commie scum!" But for you lucky OINK! readers, here are my tips for getting on in the film world

Just as it is, one learns a few phrases of "grunts" as we professionals call them, and use them at appropriate moments in your films. "NNNNNNHHHHAAA" "RRRRGGLL" and "AAARRGGHAA" are my favourites. Using such "grunts" avoids you having to learn all that boring dialogue stuff. A useful reference book is "Elocution: How to Talk Real Proper" But by Sw. Ivester St. John

...it's not easy to do. Look, it's not easy. I can't make up my mind. It may be difficult if the script calls for you to do anything other than grunt properly.

You must be able to put on a big, evil, evil eye, and look like you won't take "no" for an answer. Then, when you've negotiated your astronomical acting fee, you can let go of the film producer, and take a holiday till the film starts shooting

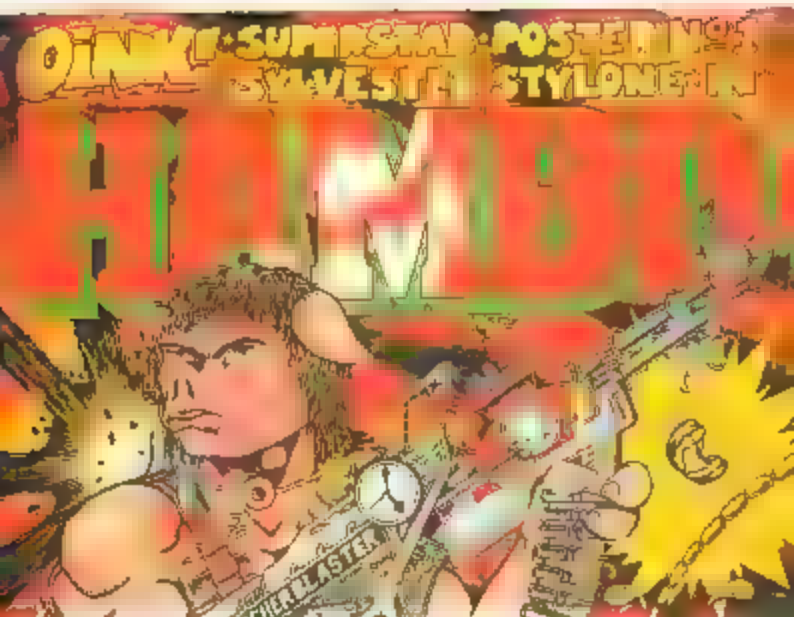

You'll need a big gun and a big knife. And a big head, to take all the credit for the work of your stuntmen.

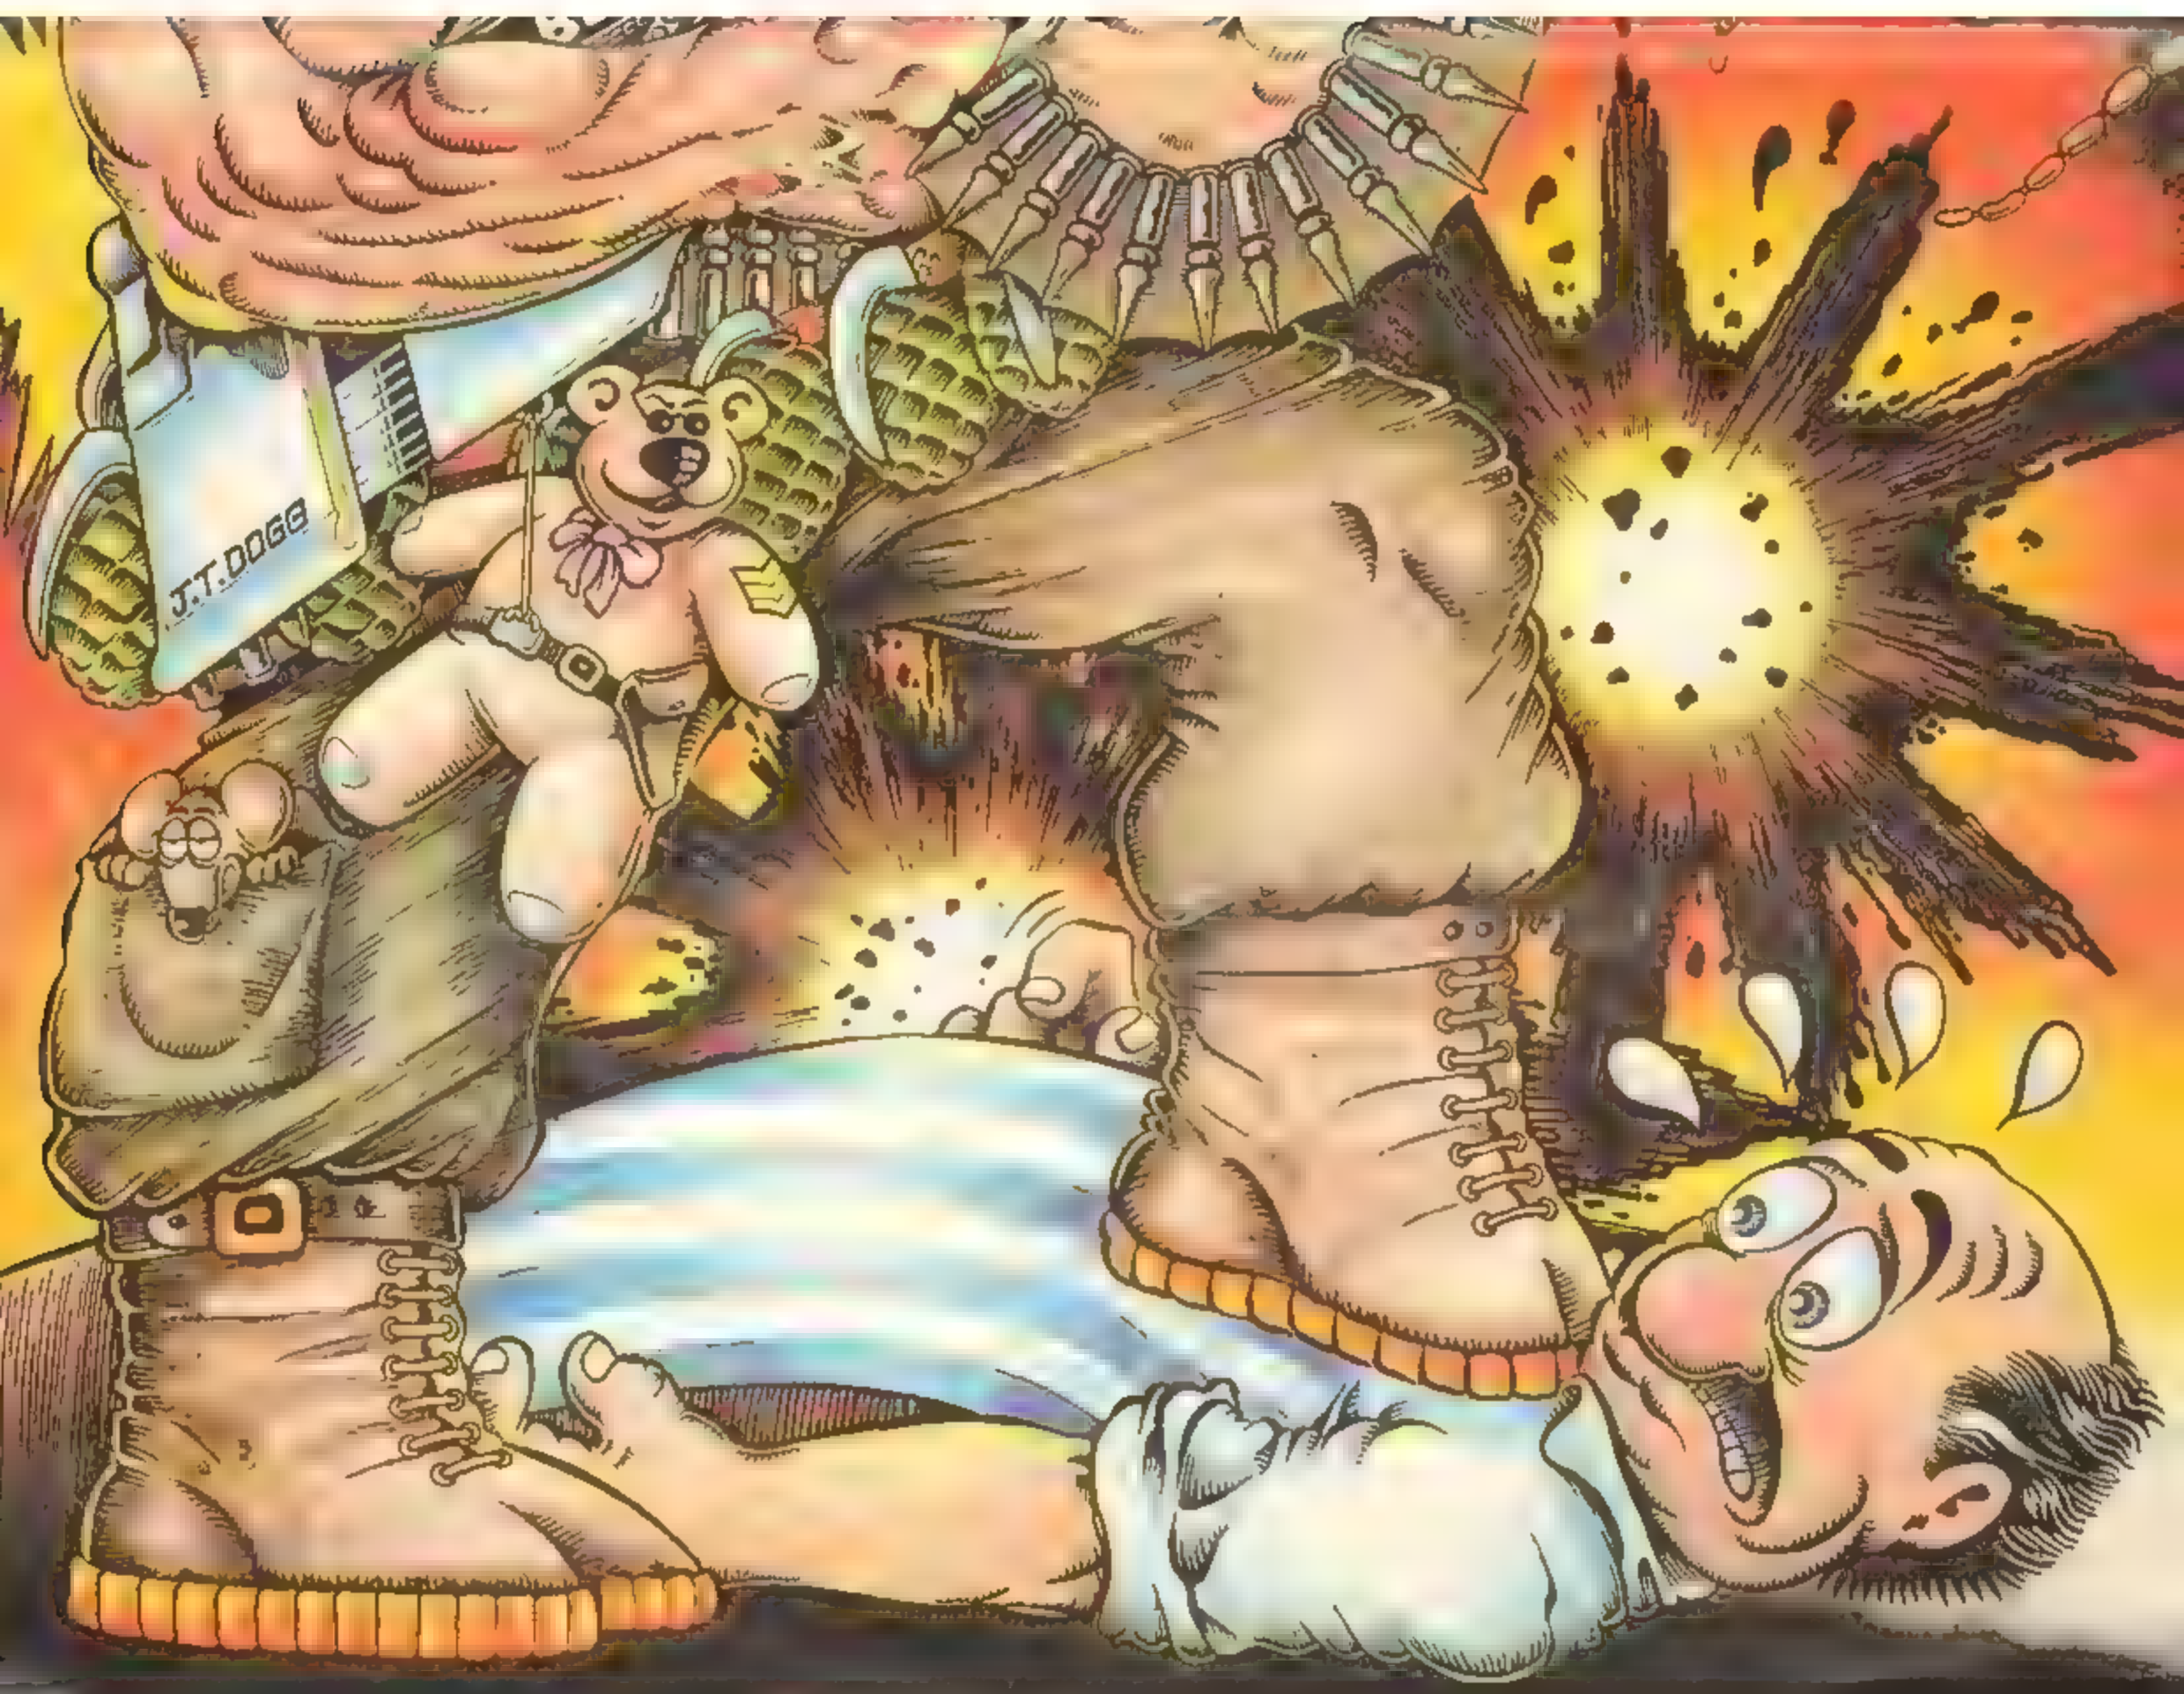

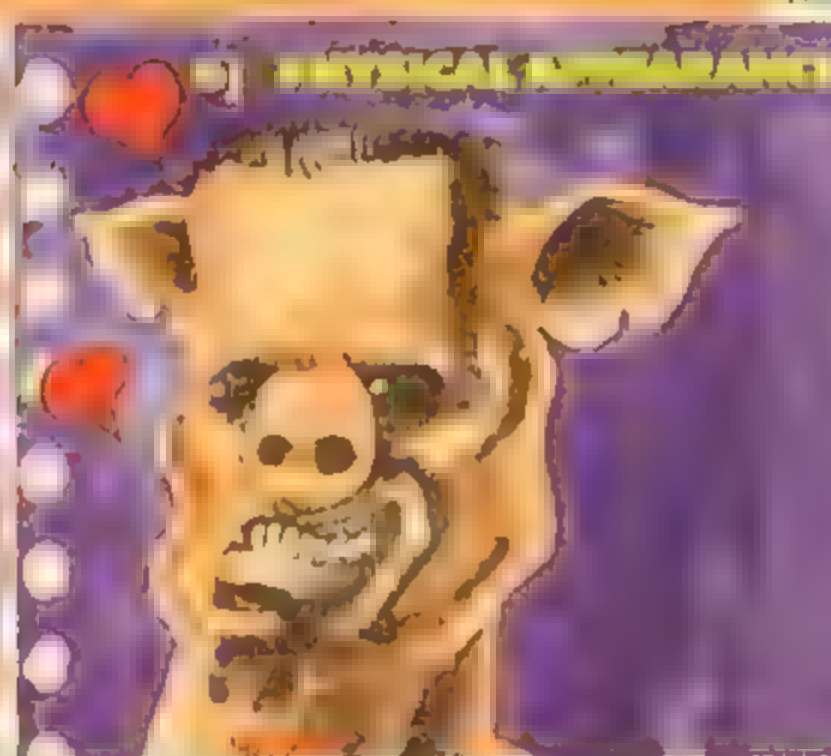

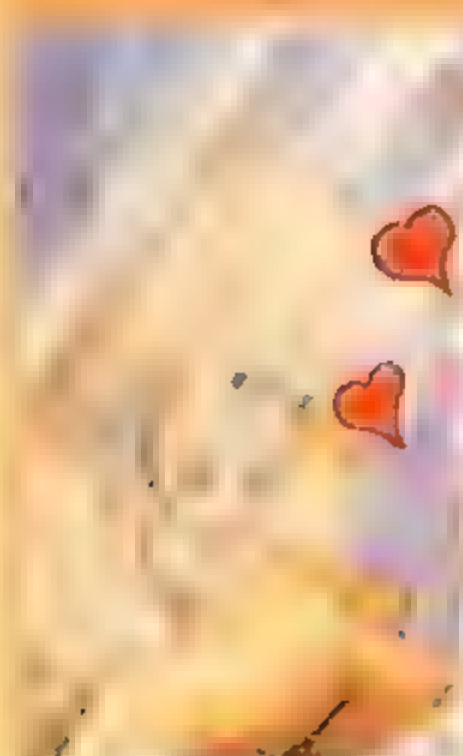

If you become popular, your fans will grow to like your "screen character", and they'll want to see you play similar types in every film. You may be gambling with your career if you play "against type" [see Slystone's ill-fated career for example]. It's better to establish an easy-to-maintain image that you can rely on for your film, like I did it. **VERMINATOR**

Very important! Amateurs think that if they play a "screen character" they can expect to be successful in every film. You're actually gambling with your career. Buy my books, "Arnold's Bestselling Film Theory" and "Your Pocket Guide to the Arnold Award for Best Brushing Balm". Great actors like Dustin Hoffman and Wallace Hoffman owe all their success to my bodybuilding techniques.

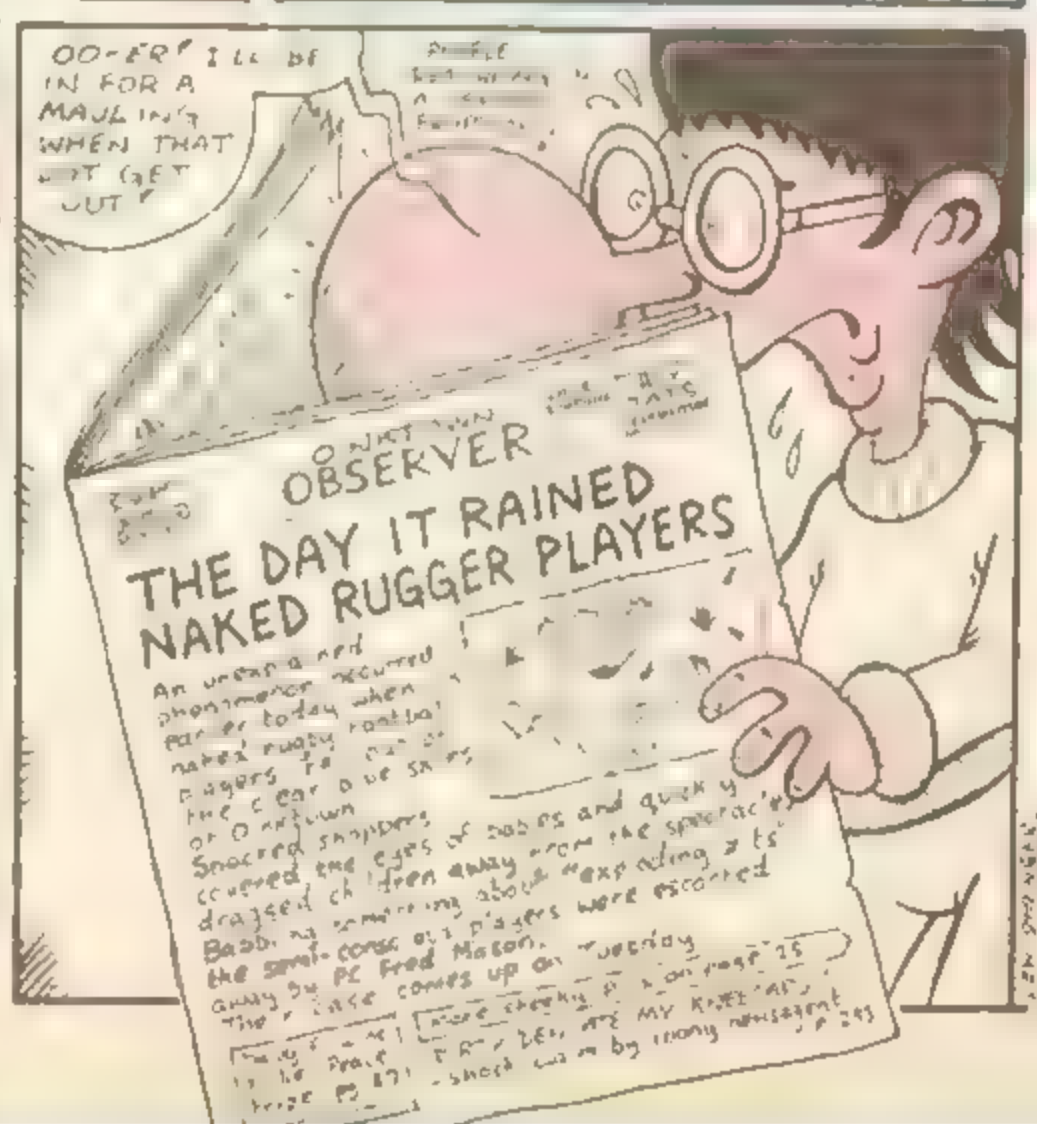

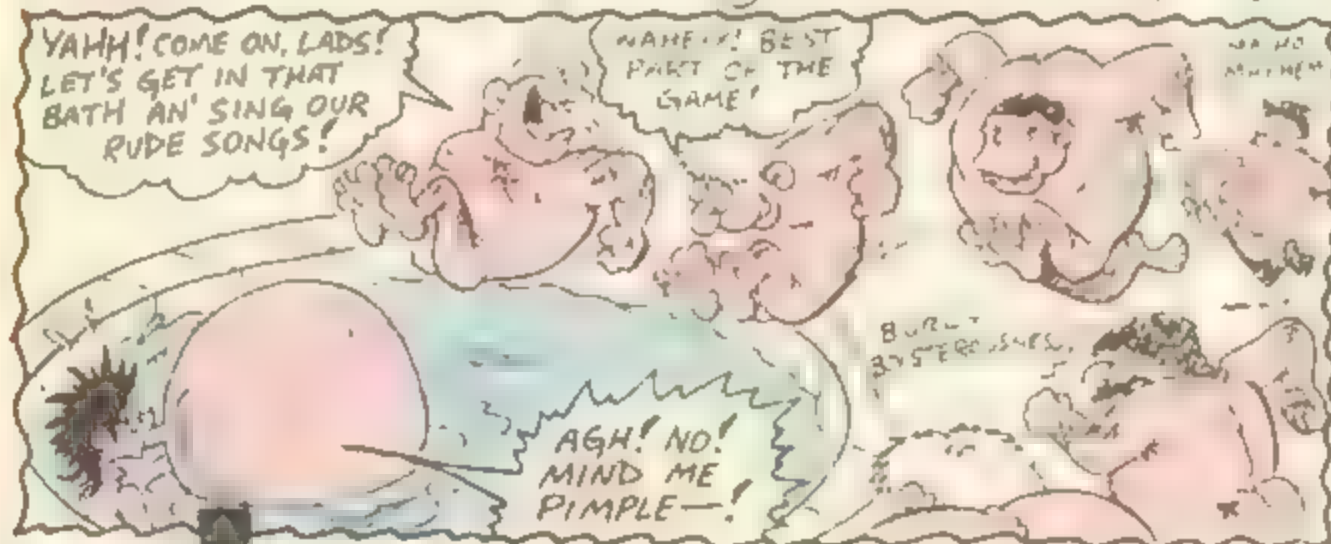

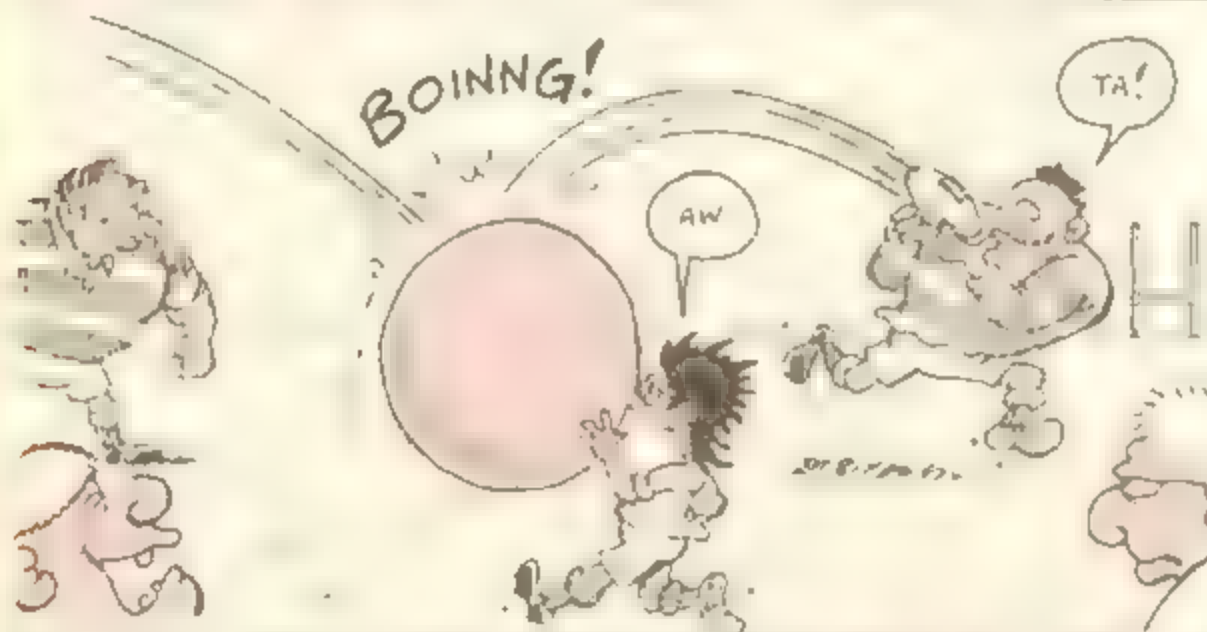

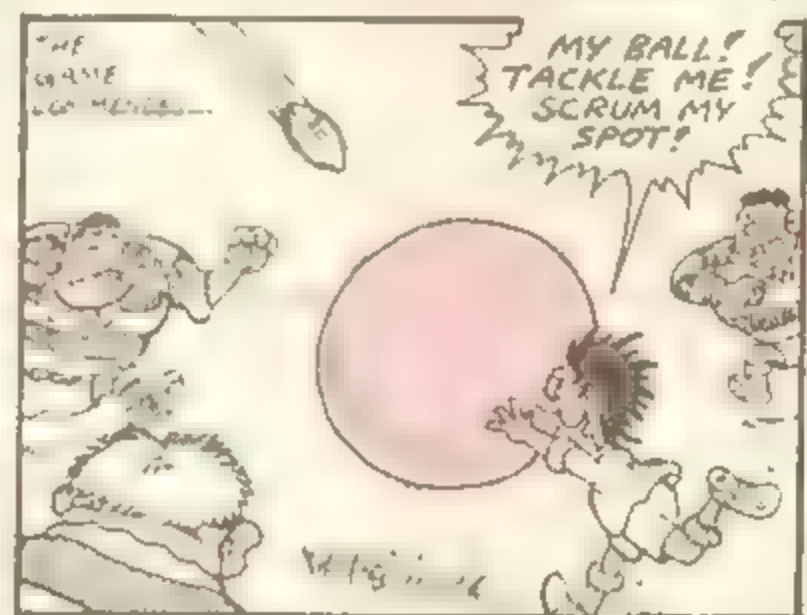

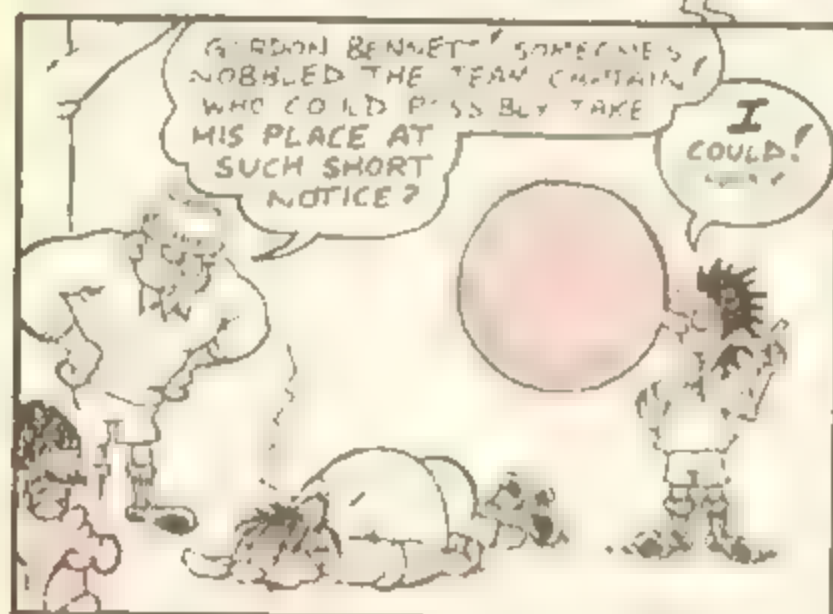

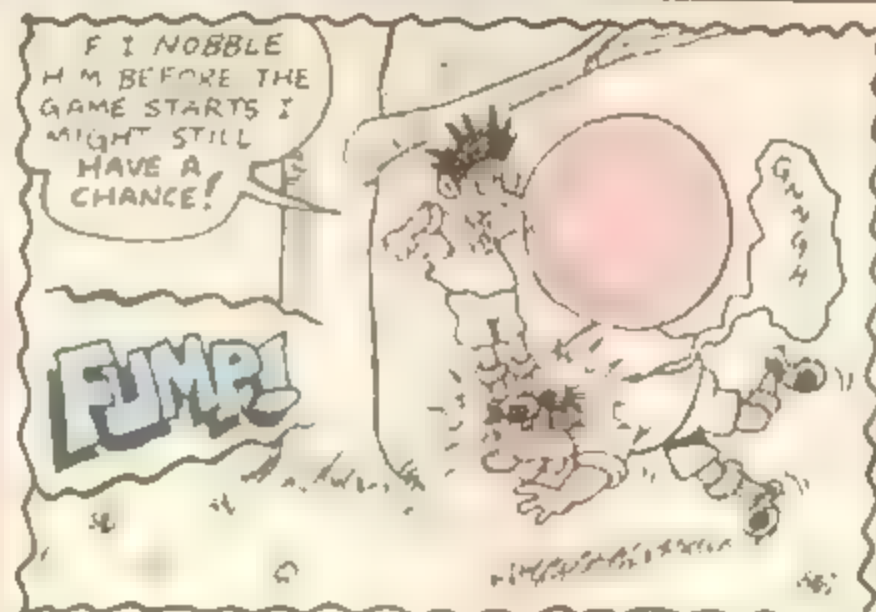

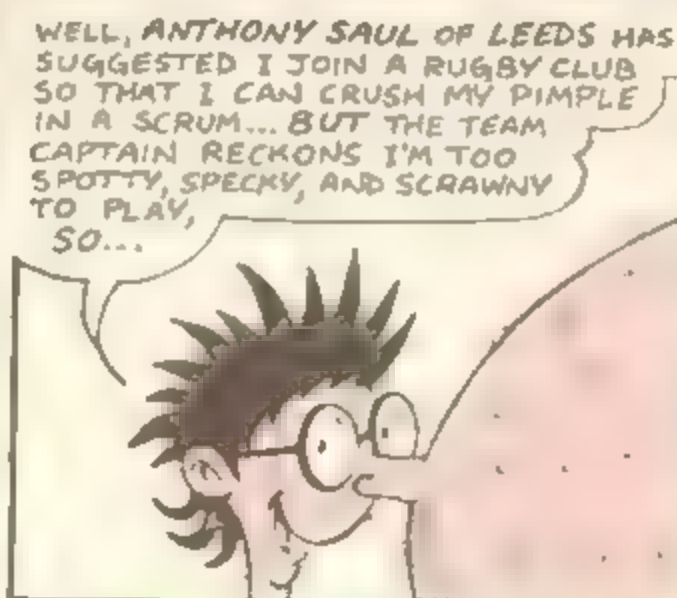

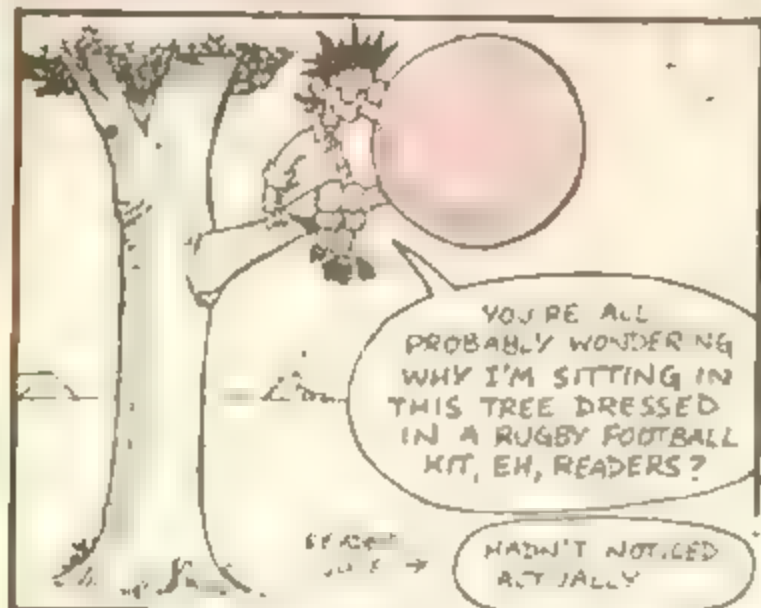

Top notch costumes are essential for your film success. Insist that your director gets all your torn shirts, grumpy sweatbands and oily pants from the best Oxfam shops. A top hat is a good idea [makes an excellent field latrine when you're on location].

**5] GOOD CHARACTER, COMPLEX EMOTION, WIDE RANGE OF SENSITIVITY, DEEP INSIGHT INTO THE HUMAN ASPECT OF THE FILM AND...**

## Heaven Knows I'm Miserable, Sow

I was happy to be in a successful band,  
But Heaven knows I'm miserable, sow,  
I wanted to be a pop-star, then I was a pop-star,  
But Heaven knows I'm miserable, sow.

In my songs  
I could write lots of long lines  
That rambled on and on and meandered about and had extra bits in  
the middle and often didn't rhyme prope-er-ly ...

I was pleased to get away with stuff like that,  
But Heaven knows I'm miserable, sow.  
'Cause now the band's split up and left me flat,  
And Heaven knows I'm miserable, sow.

In my sty  
I'm starting to realise  
That the records were good because of the nice jangly guitar bits  
that Johnny did and without them all my lyrics start to  
sound pretty much the same ...

Oh woe oh dear moan groan ...  
I'm so fed up ...  
Leave me alone, I'm sensitive ...  
Isn't life awful etc.  
(repeat to fade)

Album produced by John Porker.  
Available on His Miserable Voice  
records.

Also includes the tracks  
"Meat is Miserable", "Misery in the  
Streets of London", "There is a  
Drone that Never Shuts Up" and  
"Every Day is Like, Miserable".

# LARRY the WONDER PIG

POLICE ARE LOOKING FOR THREE BANK ROBBERS WHO ROBBED A BANK TODAY AND WERE LAST SEEN HEADING FOR THE HILLS.

POLICE SAY THESE MEN ARE DANGEROUS AND SHOULD NOT BE APPROACHED

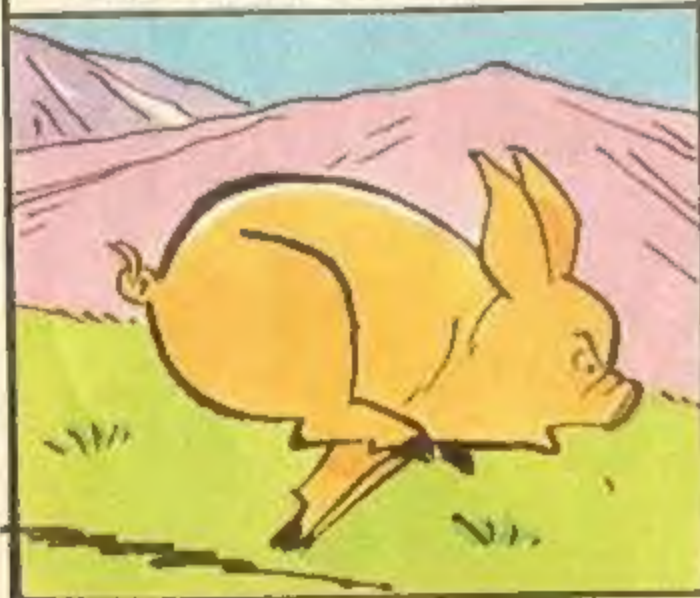

COME ON BOY, LET'S GO AND ROUND UP THE M-SHEEP

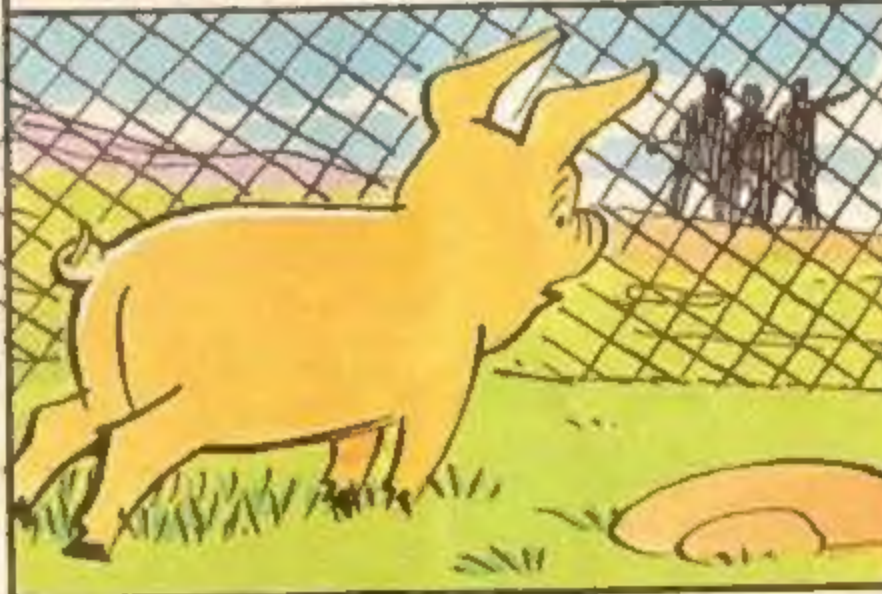

YOU GO UP THERE, BOY, AND LOOK FOR STRAGGLERS. I'LL GO DOON HERE.

LARRY WENT VERY CAUTIOUSLY. THE NEWSCAST HAD SCARED HIM.

SUDDENLY HE STOPPED. THROUGH A FENCE HE SPOTTED THREE MEN ACTING SUSPICIOUSLY

HE FOUND THE GAP AND CREEPT THROUGH

YES, THE MEN WERE DIGGING. PUTTING TWO AND TWO TOGETHER, LARRY THOUGHT OF THE BANK ROBBERY.

BRAVELY HE CHARGED AT THE MEN.

FEARING FOR THEIR BOTTOMS THEY.....

.....RAN BLINDLY AND FELL INTO A PIT HIS MASTER HAD PREVIOUSLY FALLEN INTO

BUT LARRY HAD OTHER THINGS ON HIS MIND. HE STARTED DIGGING

CLASPING THE UNCOVERED OBJECT HE DASHED OFF.

JUST A MINUTE!  
IT'S A ... OH, NO!  
DON'T DROP IT.  
IT'S A ....

...MINE!

GRRR... OI! COME  
BACK WITH THAT  
FLAMING ANIMAL.  
HE'S MINE!

NO, HE'S  
MINE!

NO, MINE!

GRRR, COME BACK, LARRY  
I'LL TURN YOU INTO BANGERS  
AND MASH!

IT'S NOT  
MINE  
FAULT!

AND SO THE PUNCHLINE GOES ON AND ON.
